No War Plants Will Close As Long as Needed, Says Reconstruction Finance Corp.

"No war plant in any city in this country is going to be sold or shut down as long as it is needed for war production." This statement was made yesterday by Jesse H. Jones, Secretary of Commerce, in an effort to quell rumors which in some sections of the country have caused unrest among both war workers and plant executives. "Announcement that a war plant is to be offered for future lease or sale by the Reconstruction Finance Corporation does not mean that production for war is to be stopped in that plant or that workers are to be laid off," Mr. Jones stated. "As a result of long range planning covering many months Defense Plant Corporation has made a catalogue of its plants giving sizes and locations so that any who may be interested in one or more of the plants for postwar use will have the information. I am making this statement because distribution of the catalogue has been misinterpreted in a few instances. "As a matter of fact, only one DPC plant now in war production has been advertised for sale. That was because the present operators wanted to negotiate for its purchase at this time so as to be able to plan its conversion to civilian production after it is no longer needed for the war effort. The advertisement stated that the plant would remain in war production as long as needed and the catalogue stated that all plants would remain in war production as long as needed."

EVENING SCHOOL.
The evening classes in typing and beginning Gregg shorthand, drafting and blueprint reading at the Torrance High school on Monday and Wednesday evenings from 7 to 9 p.m. are still open.

TORRANCE A.C. BOWS TO RED DEVIL ELEVEN
San Pedro CIO Red Devils stumbled to an 8-0 victory over the Torrance Athletic Club, in Torrance Municipal Park Friday. A sparkling 75-yard touchdown dash by Quarterback Dell Kinslow in the fourth quarter thrilled some 300 dew damp fans. Kinslow, taking a Torrance punt on his own 25, zig-zagged through nearly the complete Torrance squad before breaking into the open on the San Pedro 40 and racing down along the right sidelines to score the game's only touchdown. Pete Jacobelly, 165-pound left end, accounted for the Red Devils' two points in the second quarter when he nailed Marty Costa, halfback, behind the Torrance goal line after a center pass went over Costa's head. H. E. Chase, left half, set up the play with a 50-yard punt that placed Torrance on its own eight-yard line. Torrance made a last minute stab, beginning on its own 20, when Acosta connected passes with Quarterback Gordon Wooten and Right Half Fat Malone, and picked up 20 yards himself on a left-end run, to advance into San Pedro's 30, where the final gun closed the drive. Starting lineups were:
Torrance
Lewidige L.E. Jacobelly
King L.T. Meincke
Byrnes L.G. Pusch
Selby C. Hobbs
Baker R.G. Wicklund
Douglass R.T. Wirta
Wright R.E. Renteria
Powell Q. Kinslow (C.)
Malone L.H. Chase
Wooten R.H. Drummond
Snyder (C.) F. Viera
Powell, Acosta and King starred for Torrance while Kinslow, Meincke and Wirta were outstanding for San Pedro. Torrance A. C., although hard hit by injuries, is working out three times a week in preparation for their battle with the Van Nuys All Stars, to be played Friday night, Nov. 10, at Torrance Park. Spike Jones and his City Slickers band, who sponsor Van Nuys, has intimated that the band may be here to furnish half-time entertainment. The Torrance A. C. would like to have as big a crowd attend as is possible, since all profits of the football season will be used to finance a basketball team and baseball team. These athletic teams will furnish much needed entertainment for the people of Torrance and surrounding communities. The Torrance A. C. still has extra football uniforms and any former football players in this area are invited to join the team. Practices are held on Tuesday and Thursday evenings at 7 at Torrance Park. Los Angeles Municipal League results last week were: Eastside Bulldogs 12, Van Nuys All Stars 0; San Pedro Red Devils 8, Torrance A. C. 0; Chino Institute had a bye. Fullerton J. C. will be brought to Torrance for a game with Torrance A. C. in the near future.

Sgt. Klepper Has Flown 50 Combat Missions

S/Sgt. Frank B. Klepper, 28, formerly of 21610 Monica ave., a Liberator waist gunner, has

flown 50 combat missions against strategic European targets, with the 15th Army Air Force.

He has been awarded the Air Medal with three Bronze Oak Leaf Clusters "for meritorious achievement in aerial flight while participating in sustained operational activities against the enemy."

A former U.C.L.A. football and basketball player, Sgt. Klepper was a county clerk and bailiff prior to his induction on Mar. 31, 1943.

Miss Maloney Is Private In Marines

Former Torrance Development Center teacher, Miss Willabelle Shields Maloney, is now a private in the Marine Corps Women's Reserve and will receive her recruit training early in November at Camp LeJeune, N. C.

Private Maloney, whose home is at 1288 Barry ave., Santa Monica, recently enlisted at the Marine Corps Recruiting Office, 215 W. 5th st., Los Angeles.

After receiving her "boot" training she will be assigned to a specialist's school for further training or will be ordered directly to active duty in one of the numerous jobs which are open in this branch of the service.

Townsend Club No. 2

Mrs. M. E. Attebery, president, urges that all council members meet promptly at 7:30 p.m. Saturday, Nov. 4. Important business matters will be discussed. A business meeting and games will follow and refreshments will be served.

Reconditioning of Soldiers E.T.O. Part of Local Man's Job

In what condition does a hospitalized soldier return to duty? Is he in good physical shape? Is his state of mind healthy? The Army says "yes."

Men released from hospitals, after battle wounds have healed, are now sent directly to United States Army reconditioning centers. These centers, modeled after British types, have the job of rebuilding the soldier into the fine fighting man he was in France, and is going back to finish the job.

But to finish the job he must be in shape mentally and physically. This is accomplished through close coordination between the medical department and line officers who, too, have suffered combat injuries.

Here is what is happening daily at the reconditioning center in England. The soldier ar-

ives after a stay at a general hospital. He is immediately assigned to a company commanded by a line officer who is responsible for his observance of military discipline. The next day he is given a complete medical examination and is graded according to his physical condition. He is then ready to start on the road back.

Each day his time is fully occupied. His physical training is under the direct supervision of graduates of the Army Physical Training school. Calisthenics, games and remedial exercises are given with regard to his ability to perform them. Training films, lectures and demonstrations help to recall his military training. At the end of the week after a test march, he is ready for another medical examination. If the examination and the reports of his instructors so indicate, he is put in a higher grade where the physical training is stiffer, the schooling more intense.

After a period of weeks of progress, and after a final medical examination, the soldier is once more the same man who crossed the Channel, and is ready to go back.

How is his frame of mind? That, too, is taken care of. At the reconditioning center, under the command of Colonel S. L. Cooke, M.C., of Chatham, Virginia, it's not all work and no play. Col. Cooke, a veteran of the Sicilian campaign, knows well the mind of a wounded man. Recreational facilities are many. The soldier can talk war, politics and peace with his buddies over coffee and sinkers at the Red Cross.

He can pitch horseshoes, play in the softball league, take French and German language instructions, see a movie, have a "bitter" or two at the recreational hall. He is encouraged to attend religious services, Catholic or Protestant, at the chapel, or transportation is provided to Jewish services at a nearby town. He just doesn't brood. And he leaves the center mentally fit.

The system is working. And its harvest will be reaped in the healthy condition and attitude of the veterans of this war.

Staff members of this rehabilitation center include Pfc. Joseph J. McNeil, 1744 Andrea ave.

WARNING
During the month of September, 1944, wardens of the State Division of Fish and Game made 200 arrests for violations of the fish and game laws, with fines amounting to \$9,015. During the same month last year, 219 arrests were made and violators were fined a total of \$9,048. In September, 1942, wardens made a total of 186 arrests with \$5,882 paid in fines.
